

Please fill out the following forms to the best of your ability. There are many repeated questions. They are there intentionally. It will take approximately one hour to finish.

In order to do the most thorough job possible investigating the root cause of your complaint or condition, Dr. Lepp must have all the information filled out ahead of time.

The doctor cannot see you if the paperwork is not complete. This allows him to craft a consultation specific for you, your needs, and more effectively get to the bottom of what's bothering you.

Once it is completed, please email, fax or mail it to our office at least **TWO BUSINESS DAYS PRIOR TO YOUR SCHEDULED APPOINTMENT**. Additionally, please email us all previous lab work you may have prior to your appointment.

We look forward to helping you!
